Dear Parents

Greetings from SURAJ

Vacations are not solely intended for exploring the world beyond our homes; rather, they also provide an invaluable opportunity for introspection, self-discovery, and personal rejuvenation. Therefore, let this summer vacation become a meaningful journey filled with reading, physical exercise, meditation, dancing, and other constructive pursuits that channelise energy in a productive and positive direction.

General Instructions for Students

The following activities will assist students in making their vacations both enjoyable and intellectually stimulating:

- * Engage in indoor recreational activities such as Ludo, Carom Board, Scrabble, Chess, and similar games that enhance cognitive and analytical abilities.
- * Extend assistance to your parents in routine household responsibilities such as organising cupboards, watering plants, and making beds. Such acts cultivate empathy, gratitude, discipline, and a sense of responsibility towards family members who tirelessly support and nurture you throughout the academic year.
- * Complete the Holiday Homework diligently and in strict accordance with the prescribed instructions.
- * Develop the habit of reading newspapers daily in order to enhance awareness, comprehension, and vocabulary.
- * Revise all concepts covered thus far to reinforce understanding and academic proficiency.

General Instructions for Parents

- * Parents are earnestly requested to encourage their wards to complete their assignments independently in order to foster self-reliance and confidence.
- * Necessary guidance and constructive supervision may be extended wherever required.
- * Originality, creativity, neatness, and sincere effort in the completion of work shall be highly appreciated.
- * Kindly regulate excessive screen exposure and discourage prolonged indulgence in mobile phones, video games, and other digital distractions. Instead, motivate children to engage in creative, productive, and skill-enhancing activities.

Please note that the completion of Holiday Homework is compulsory, as it shall constitute an integral component of the Internal Assessment.

Lastly, always remember that “A smile is the only curve that sets everything straight.” Face every challenge with courage, optimism, and resilience.

Wishing you all a safe, refreshing, and delightful Summer Vacation. Stay healthy and blessed.

Regards

Ms. Sangita Das

Success is the sum of small efforts repeated day in and day out".

Dear Parents,

Summer Vacation is a time for the children to enjoy and relax. These days are precious and valuable and can be made most from if judiciously used. We should always remind ourselves that children will not remember us for the gifts we shower upon them but will always cherish the time we spent with them. It's time to nurture young minds, inculcate moral values and narrate family anecdotes to keep them in touch with their roots. Few tips to make the vacation a fruitful time for your child.

- * Encourage your child to take up yoga or any other form of healthy activity during the vacation.
- * Involve children in household chores- helping to set the cupboard, setting table for food, cleaning own room and keeping things in order etc.
- * Create a summer diary- Encourage your child to keep a summer diary, to paste photographs of special days and write about them.
- * Enjoy walking with the min parks and appreciate nature.
- * Ensure that children read for at least 30 minutes daily.

General Instructions:-

1. Take the printouts for given worksheets and arrange them in a beautifully decorated folder. OR Do the holidays homework in your fair notebooks.
2. We are not expecting a work of art completed by parents, just help your ward and encourage him/ her to do the task themselves. Original work by the child shall be acknowledged.
3. Project / Homework will be assessed and awarded with Medals and Certificates.
4. 5 Marks are allotted to the Holidays Homework for Each Subject.
5. ARTINTEGRATED LEARNING-5 Marks Best Three Projects/ Models/ Holidays Homework will be awarded with Medals And appreciation certificates.
