Greetings from SURAJ

Vacations are not solely intended for exploring the world beyond our homes; rather, they also provide an invaluable opportunity for introspection, self-discovery, and personal rejuvenation. Therefore, let this summer vacation become a meaningful journey filled with reading, physical exercise, meditation, dancing, and other constructive pursuits that channelise energy in a productive and positive direction.

General Instructions for Students

The following activities will assist students in making their vacations both enjoyable and intellectually stimulating:

- * Engage in indoor recreational activities such as Ludo, Carom Board, Scrabble, Chess, and similar games that enhance cognitive and analytical abilities.
- * Extend assistance to your parents in routine household responsibilities such as organising cupboards, watering plants, and making beds. Such acts cultivate empathy, gratitude, discipline, and a sense of responsibility towards family members who tirelessly support and nurture you throughout the academic year.
- * Complete the Holiday Homework diligently and in strict accordance with the prescribed instructions.
- * Develop the habit of reading newspapers daily in order to enhance awareness, comprehension, and vocabulary.
- * Revise all concepts covered thus far to reinforce understanding and academic proficiency.

General Instructions for Parents

- * Parents are earnestly requested to encourage their wards to complete their assignments independently in order to foster self-reliance and confidence.
- * Necessary guidance and constructive supervision may be extended wherever required.
- * Originality, creativity, neatness, and sincere effort in the completion of work shall be highly appreciated.
- * Kindly regulate excessive screen exposure and discourage prolonged indulgence in mobile phones, video games, and other digital distractions. Instead, motivate children to engage in creative, productive, and skill-enhancing activities.

Please note that the completion of Holiday Homework is compulsory, as it shall constitute an integral component of the Internal Assessment.

Lastly, always remember that “A smile is the only curve that sets everything straight.” Face every challenge with courage, optimism, and resilience.

Wishing you all a safe, refreshing, and delightful Summer Vacation. Stay healthy and blessed.

Regards

Ms. Sangita Das
